| Title                   | Mystery shopping campaign 2022                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Description             | <p>The focus of the this mystery shopping campaign was to assess the compliance with the new MiFID II regulation and broader sustainability motivations. We allocated 4 hypothetical investor profiles to the mystery shoppers including e.g. an impact-oriented green investor profile or a pure value-oriented investor profile. We assessed the following topics (please note that for duty of confidentiality we removed personal information of mystery shoppers and the bank name and recommended products):</p> <ul style="list-style-type: none"> <li>- Explanation of sustainability preferences</li> <li>- Advisor knowledge and expertise</li> <li>- Identification of sustainability preferences</li> <li>- Financial product presentation/recommendation</li> <li>- Final conclusion of the meeting</li> </ul> |
